CARP FRANCE BOOKING TERMS AND CONDITIONS

Please read this page. In any dispute, it will be assumed that you have read and accepted its contents.

If you have any questions about anything contained on this page, please contact us.

Bookings will be confirmed in writing, following receipt of a signed booking form and deposit from the client. This will constitute a formal acceptance of the booking.

The booking deposit is £200.00 per week (non-refundable). It should be received within five days of reservation and the balance should be received no less than **TEN** weeks prior to holiday. If payment is not received by the due date, we reserve the right to cancel.

A breakage deposit cheque (£75.00) is to be paid at the time of final payment that will be returned within seven days of departure providing inspection records no breakages. The owner reserves the right to bank the cheque if breakages are discovered. If electricity used during the holiday exceeds £15.00 the owner will deduct the excess from the breakage deposit cheque. Any other necessary charges will be deducted and the balance returned along with any receipts. This does not limit the client's liability to the owner.

The client shall report to the owner without delay any broken or missing items, defects or breakdowns at the start of their holiday. The client shall reimburse the owner for any damage or breakage of the property contents and equipment in the grounds, including any caused by negligence by anyone in their party.

The property will be available from 4 PM on the day of arrival. The client and party should vacate the property no later than 10 am on the day of departure.

The number of people to reside in the property will be fixed at the time of booking. Additions can only be made with permission of the owner before the start of the holiday. Chalets sleep six people: one double bed, two single beds and a double sofa bed.

The clients agree to be considerate tenants and to take good care of the property. They will be responsible for leaving the property in a clean and tidy condition. They also agree not to act in a way that would cause disturbance to others. The owner reserves the right to make a charge from the breakage deposit if it is considered that the chalet has been left in an unacceptable condition.

The owner cannot be held liable for any temporary defects or stoppage by public services to the property in respect of any equipment or appliances in the property nor any loss, damage nor injury as a result of adverse weather conditions, nor other matters however caused.

Under no circumstances shall the owners' liability exceed the amount paid for the rental. If, in the event of substantial damage to the property caused by Force Majeur etc. before the start of the holiday, a refund will be made of all the sums paid, within seven days.

CANCELLATION: Providing notification is received in writing not less than twelve weeks prior to the start of the holiday, all monies paid will be refunded less a £50.00 cancellation fee. If cancellation takes place less than twelve weeks prior to the start of the holiday, refunds will be made if the owner is able to re-let the property. Any expense or loss incurred will be deducted from the refundable amount. If the property is unable to be re-let **all** rental monies are non-refundable.

Clients are **NOT** covered by the owners' insurance, and are **STRONGLY** advised to obtain comprehensive travel and personal liability insurance for their stay in France.

REMEMBER THE DANGERS OF OPEN WATER. IF YOU HAVE CHILDREN IN YOUR PARTY, PLEASE NEVER LET THEM OUT OF YOUR SIGHT.
